

CURRICULUM VITAE

August 21, 2008

NAME: Leanne Taylor Nash

ADDRESS: Work: School of Human Evolution and Social Change
Arizona State University, Box 872402
Tempe, Arizona 85287-2402 U.S.A.

Phone: (480)965-4812, 965-6213, FAX (480)965-7671
E-mail: LEANNE.NASH@ASU.EDU

PRESENT APPOINTMENT:

Professor, School of Human Evolution and Social Change, Arizona State University

EDUCATION:

University of California at Davis, 1963-1967; B.A. with high honors, 1967 (Psychology).

University of California at Berkeley, 1967-1971; M.A., 1969, Ph.D., 1973 (Anthropology).
Dissertation: Social behavior and social development in baboons (*Papio anubis*) at the Gombe Stream National Park, Tanzania

PROFESSIONAL EMPLOYMENT:

Research Assistant, Psychology Department, University of California at Davis, 1967

Teaching Assistant, Anthropology Department, University of California at Berkeley, 1969, 1971

Assistant Professor, Anthropology Department, Arizona State University, Tempe, Arizona, 1971-1977

Associate Professor, Anthropology Department, Arizona State University, Tempe, Arizona, 1977-1987

Professor, Anthropology Department, Arizona State University, Tempe, Arizona, 1987-2005

Professor, School of Human Evolution and Social Change, Arizona State University, Tempe, Arizona, 2005-present

Research Coordinator, Primate Foundation of Arizona, 1986-1989.

Senior Research Associate, Primate Foundation of Arizona, 1990-1995.

AWARDS/FELLOWSHIPS:

Phi Kappa Phi

Phi Beta Kappa

Ford Foundation Special Career Fellow, University of California at Berkeley, 1967-1971

Predoctoral Fellowship, NIMH, 1967-1968, 1969-1971

Nominee, Professor of the Year, Arizona State University Parent's Association, 2005

American Society of Primatologists Distinguished Primatologist Award for 2008

FIELDWORK:

Baboon social behavior and infant socialization. Gombe Stream Research Centre, Tanzania. Sponsored by NIMH Pre-doctoral Field Training Grant, 1969-1970.

Behavior of preadolescent baboons: Continuing observations on a group of wild baboons. Gombe Stream Research Centre, Tanzania. Sponsored by W.T. Grant Foundation and the Stanford University Chimpanzee Research Project, 1972.

Socioecology of the genus *Galago*: Preliminary site survey. Kenya. Sponsored by the ASU Faculty Grant-in-Aid Program, Summer 1976.

Socioecology of the genus *Galago*. Gedi National Monument, Kenya. Sponsored by EARTHWATCH, Wenner-Gren Foundation for Anthropological Research, and NIH, 1979-1980.

Behavioral effects of gum feeding in galagos. Kenya. Sponsored by N.S.F., Summer 1984.

Survey of Berenty and Beza Mahafaly Reserves, Madagascar for potential fieldwork on *Lepilemur*, Summer, 1991.

Behavior and ecology of *Lepilemur* at Beza Beza Mahafaly Special Reserve, Madagascar. August, 1992 - July, 1993. Sponsored by National Geographic Society and the Wenner-Gren Foundation for Anthropological Research.

Survey of galagos at Makapansgat, South Africa, August, 1998. Sponsored by Inst. for Human Origins, ASU

Pilot observations on two species of galagos at Makapansgat, May-August, 1999. Sponsored by Faculty Grant-in-Aid of Research, ASU.

CURRENT RESEARCH PROJECTS:

Infant development and maternal behavior in captive lesser galagos. Sponsored by the ASU Faculty Grant-in-Aid Program.

Social development of captive chimpanzees (in collaboration with Primate Foundation of Arizona).

Social behavior and ecology of *Lepilemur* at Beza Mahafaly Special Reserve, Madagascar.

FUNDED GRANTS:

1972 W.T. Grant Foundation and the Stanford University Chimpanzee Research Project. Behavior of preadolescent baboons at the Gombe Stream National Park, Tanzania. \$3,500

1973 ASU Faculty Grant-in-Aid. Social behavior of *Galago senegalensis*, \$1,982.

1976 ASU Faculty Grant-in-Aid. Socioecology of the genus *Galago*: Preliminary site survey, \$2,778.

1977 ASU Faculty Grant-in Aid. Socialization in Galagos, \$2,200.

1979 Center for Field Research (EARTHWATCH). Bushbabies in Kenya, \$4,851.

- 1980 Wenner-Gren Foundation for Anthropological Research. Comparative Field Research on Behavior and Ecology of Two species of East African *Galago*, Kenya, \$3,126.
- 1980 National Institutes of Health. Socio-Ecological Comparisons of Two Kenyan Galagos, \$9,967.
- 1984 National Science Foundation. Gum Utilization by Galagos, \$24,126.
- 1989 ASU CLAS Faculty Mini-Grant, Evolutionary Significance of Prolonged Juvenile Periods: The Nongregarious Primates, \$500.
- 1992 National Geographic Society, Behavior and ecology of *Lepilemur*, \$32,000.
- 1992 Wenner-Gren Foundation for Anthropological Research, Ecology and behavior of *Lepilemur* in Southwestern Madagascar, \$11,904.
- 1998 ASU Faculty Grant-in Aid. Preliminary Investigation of the Ecology & Behavior of Sympatric, Nocturnal Prosimian Primates at Makapansgat, South Africa”, \$7000.
- 1998 ASU CLAS Mini Grant. Sex Differences in the Behavior of Infants in a Large Sample of Captive Chimpanzees at the Primate Foundation of Arizona, \$1000

MEMBERSHIPS:

Animal Behavior Society
Sigma Xi
American Association of Physical Anthropologists
International Primatological Society
American Primatological Society

PROFESSIONAL SERVICE:

Nash, L.T. and D.K. Olson. Dietary, behavioral, and morphological aspects of gumivory. Symposium organized at the Annual meetings of the American Association of Physical Anthropologists, Knoxville, Tennessee, 1985.

Nash, L.T. and R.S. Pitts. Variability within the Galagos. Symposium organized at the XIth Congress of the International Primatological Society, Göttingen, West Germany, 1986.

Member, Education Committee, American Society of Primatologists, 1987-1988, 1998-2006.

Member, External Review Committee for the Department of Anthropology, Emory University, 1990

Local arrangements co-chairman, Annual Meeting of the American Society of Primatology, 1995

Member, External Review Committee for New York Consortium in Evolutionary Primatology, 1995

Editorial Board, Journal of Human Evolution, 1996-1998.

Nash, L.T. and McGeehan, Laura. Noninvasive Methods in Primate Behavioral Biology. Symposium organized at the Annual meetings of the American Association of Physical Anthropologists, St. Louis, MO, 1997.

Member, Nominating Committee, American Society of Primatologists, 1997-1998

Member, Program Committee, American Society of Primatologists, 1998-2000.

Member, Nominating Committee, American Association of Physical Anthropologists, 2000

Chair, Local Arrangements Committee of the 2003 Annual Meeting of the American Association of Physical Anthropologists, 2000-2003.

Member, Election Committee, American Society of Primatologists, 2003

Executive Board Member, American Association of Physical Anthropologists (elected 3-year term), 2003-2006

Chair, Nominating Committee, American Association of Physical Anthropologists, 2004-2005, 2005-2006

Burrows, A.M., Nash, L.T. Lorisoid Evolution, Morphology, and Behavior. Symposium organized at the Annual meetings of the American Association of Physical Anthropologists, Milwaukee, Wisconsin, 2005.

Museum Exhibit, Maxwell Museum, University of New Mexico- Tools of the Trade: How Biological Anthropology is Done, Contributed text and artifacts, Spring 2007 - Present).

Member, Research Committee, American Society of Primatologists, 2006-2008, 2008-2010.

Editorial Board, International Journal of Primatology, 1990-present.

Member, IUCN/SSC Primate Specialist Group, 1998-present.

Mentor, American Anthropological Association, Committee on the Status of Women in Anthropology, 2003-2007 [<http://www.aaanet.org/committees/coswa/mentors.htm>]

Scientific Advisory Board, Primate Conservation, Inc. 2005-present

Burrows, A.M., Nash, L.T. Exudativory in galagos: Maybe it's not the toothcomb that counts. XXIIth Congress of the International Primatological Society, Edinburgh, Scotland, UK, August, 2008.

Kessler, S.E, Nash, L.T. Grandmothering in captive *Galago senegalensis braccatus*. XXIIth Congress of the International Primatological Society, Edinburgh, Scotland, UK, August, 2008.

COMMUNITY SERVICE:

Member, Board of Directors, Primate Foundation of Arizona, 1971-present (on leave 1979)

Vice President, Board of Directors, Primate Foundation of Arizona, 1973: 1975-1976, 2005-2008

Consultant, Animal Health Committee, Phoenix Zoo, 1975-present

President, Board of Directors, Primate Foundation of Arizona, 1976-1978, 1981-1983 , 1996-1997, 2001-2002, 2004

Public Lecture, Global Ancestors II lecture series at the Phoenix Library. "Insight from the Dark: What Can the Nocturnal Prosimians Tell Us about the Evolution of Primate Social Behavior?", November, 2000

Public Lecture, Retired ASU Faculty Wives Club. "Nocturnal Primates – Who and What Are They?", April, 2001.

Public Lecture, Phoenix OASIS Foundation. "Nocturnal Primates & Social Behavior", April, 2001.

Public Lecture, Arizona State University Discussion Group of Emeriti Professors, "Adventures with Nocturnal Prosimians", June 1, 2004.

Public Lecture, Phoenix Zoo Explorer's Club, "Adventures with Nocturnal Prosimians", October 28, 2004.

Public Lecture, ASU West/Sun City Osher Lifelong Learning Institute Communities on the topic of "Why Do Anthropologists Study Nonhuman Primate Behavior?", November 10, 2005

Public Lecture, Phoenix Arizona Spirit of the Senses Salons, "Our Inner Ape", February 7, 2007.

COURSES TAUGHT:

Human Origins and the Development of Culture

Primatology

Primate Behavior Laboratory

Fossil Hominids

Seminars: Primatology; Primate Socialization; Primate Behavior and Ethnology; Sexual Selection; Primate Sociobiology; Popular Literature in Physical Anthropology; Sex Differences in Primate Behavior; Primate Socialization; Evolutionary Perspectives on Primate Social Development; Comparative Primate Socioecology; Nonhuman Primate Models for the Evolution of Human Social Behavior; Nonhuman Primate Models for the Evolution of Human Social Behavior

GRADUATE DEGREES CHAIRED

M.A. degrees:

Bercovitch, Fred B.	1976	Glick, Marion	1992
Berdecio, Susannah	1977	Schaefer, Melissa	1995
Wohletz, Ellen	1978	Caspar-Denman, K.	1995
Covert, Herbert	1978	Jacobson, Amy	1996
Petix, Victoria C.	1978	Schwandt, Melanie	1996
Howard, Stanley C.	1979	Mas Rivera, Adaris	1998
Chilton, Shawn Marie	1981	Kar Gupta, Kaberi	1998
Carpetis, Robert	1981	Casler, Laural	1999
Sauther, Michelle	1984	Bidner, Laura	2001
Abate, Andrew	1986	Watras Johns, R.	2002
Cobb, Jennifer	1990	Meredith, Stephanie	2005
Howell, Sue	1991	O'Mara, Michael Teague	2005
Glick, Carol	1992	Kessler, Sharon	2007

Ph.D. degrees:

Wheeler, R.Linda	1982
Lamoreaux, Marc	1991
Howell, Sue	2000
McGeehan, Laura	2005
Kar Gupta, Kaberi	2007

UNIVERSITY SERVICE (since promoted to Full Professor, reverse chronological order):

- 2008-2009 School of Human Evolution and Social Change
Research Support Committee, Chair
- 2007-2008 School of Human Evolution and Social Change
Research Support Committee, Chair
Advocacy Committee for K. Knudson, Member
- 2006-2007 School of Human Evolution and Social Change
Research Support Committee, Chair (Fall only)
Community Relations (Fall only)
Sabbatical, Spring 2007
- 2005-2006 Honors College Faculty Council
School of Human Evolution and Social Change
Research Support Committee, Chair
Honors Advisor for School
Honors Curriculum Committee, Chair
Personnel Committee
Personnel Review Committee
- 2004-2005 Anthropology Department
Department Research Support Committee, Chair
Personnel Committee
Promotion and Tenure Committee
Haenn & Jonsson, Service Subcommittee
- 2003-2004 Anthropology Department
Research and Development Committee, Chair
Personnel Committee
Search Committee: Hohokam Archaeologist
Ad hoc Committee: Research Themes in Anthropology
Promotion and Tenure Committee
Falconer, Promotion Subcommittee
- 2002-2003 Anthropology Department
Promotion and Tenure Committee
Hegmon, Promotion & Tenure Subcommittee
- 2001-2002 Anthropology Department
Research and Development Committee, Chair
Physical Anthropology Subdisciplinary Head
Graduate Committee
Executive Committee
Ad hoc Planning Committee, 5-year Strategic Plan
Promotion and Tenure Committee
Chair, Baker Promotion & Tenure Subcommittee

- 2000-2001 Anthropology Department
 Research and Development Committee, Chair
 Physical Anthropology Subdisciplinary Head
 Graduate Committee
 Executive Committee
 Search Committee for Administrative Assistant
 Promotion and Tenure Committee
- 1999-2000 University Institutional Animal Care and Use Committee, Member (to January, 2000)
 Anthropology Department:
 Research and Development Committee, Chair (Fall, 1999)
 Undergraduate Committee (Fall, 1999)
 Personnel Committee (Fall, 1999)
 Promotion and Tenure Committee (Fall, 1999)
 Sabbatical, Spring, 2000
- 1998-1999 University Institutional Animal Care and Use Committee, Member (new term to June, 2000)
 Anthropology Department:
 Research and Development Committee, Chair
 Personnel Committee
 Promotion and Tenure Committee
 Co-Head, Physical Anthropology Subdiscipline, Spring, 1999 (responsible for all handling of graduate program admission and recruitment)
- 1997-1998 University Institutional Animal Care and Use Committee, Member (new term to June, 2000)
 University Veterinarian Task Force
 Anthropology Department:
 Physical Anthropology Subdisciplinary Head
 Research & Development Committee, Chair
 Graduate Committee
 Executive Committee
 Search Committee, Physical Anthropologist (Osteology), Chair
 Departmental 7-Year Program Review Committee
- 1996-1997 University Institutional Animal Care and Use Committee, Member
 Anthropology Department:
 Physical Anthropology Subdisciplinary Head
 Research & Development Committee, Chair
 Graduate Committee
 Executive Committee
 Search Committee, Physical Anthropologist (Osteology), Chair
 IHO Steering Committee
- 1995-1996 University Institutional Animal Care and Use Committee, Member
 Anthropology Department:
 Physical Anthropology Subdisciplinary Head
 Research & Development Committee, Chair
 Graduate Committee
 Executive Committee

- 1994-1995 University Institutional Animal Care and Use Committee, Member
Dean's Search Committee for Chair, Anthropology Department
Anthropology Department:
Physical Anthropology Subdisciplinary Head
Chair, Search for P.A. Research Specialist replacement
Research & Development Committee, Chair
Graduate Committee
Executive Committee
Member, Search Committees for Southwest Archaeologist and for Mesoamerican Archaeologist
- 1993-1994 University Institutional Animal Care and Use Committee, Member and Interim Chair for Spring and Summer terms.
- 1992-1993 On Sabbatical.
- 1991-1992 University Institutional Animal Care and Use Committee
Anthropology Department: Personnel
- 1990-1991 University Institutional Animal Care and Use Committee
Anthropology Department: Personnel
- 1989-1990 Chair: University Institutional Animal Care and Use Committee
University Research Safety Oversight Committee
Vice-President for Research Ad hoc Laboratory Animal Care Facilities Program Committee
Vice-President for Research Ad hoc Search Committee for Director of Animal Care Program
Anthropology Department Committees:
Subdisciplinary Head, Graduate
- 1988-1989 Chair: University Institutional Animal Care and Use Committee
University Research Safety Oversight Committee
Vice-President for Research Ad hoc Laboratory Animal Care Facilities Program Committee
Vice-President for Research Ad hoc Screening Committee for Director of Regulatory Affairs
Anthropology Department Committees:
Subdisciplinary Head, Graduate
- 1987-1988 Chair: University Institutional Animal Care and Use Committee
University Research Safety Oversight Committee
Vice-President for Research Ad hoc Laboratory Animal Care Facilities Committee
Vice-President's Animal Facilities Planning Committee
Anthropology Department Committees:
Spring, 1988: Subdisciplinary Head, Graduate

UNIVERSITY SERVICE (previous to promotion to Full Professor – selected, reverse chronological order):

- 1986-1987 University Laboratory Animal Care Committee
Ad Hoc University Laboratory Animal Facilities Planning Committee
Liberal Arts and Sciences Standards Committee
Anthropology Department Committees: Research & Development
Anthropology Department United Way Representative
- 1985-1986 Sabbatical
- 1984-1985 University Laboratory Animal Care Committee
Faculty Senate; Senate Student Affairs Committee
Liberal Arts Curriculum Committee
Anthropology Department Committees:
Personnel, Graduate, Publications
- 1983-1984 University Laboratory Animal Care Committee
Faculty Senate
Liberal Arts Curriculum Committee
Advisory Committee for Center for Family Studies
Advisory Committee for Sigma Xi
Anthropology Department Committees: Personnel
- 1982-1983 University Laboratory Animal Care Committee
Liberal Arts Curriculum Committee
Affirmative Action Representative
Advisory Committee for Sigma Xi
Anthropology Department Committees: Personnel (Chair), Archaeology Search Committee
- 1981-1982 University Laboratory Animal Care Committee
Department of Anthropology Committees: Physical Anthropology Subdiscipline Head, Personnel, Promotion and Tenure, Publications, Archaeology Search Committees (2), Primate Anatomist Search Committee
