

REPORT OF COMPREHENSIVE EXAM or DISSERTATION PROPOSAL/PROSPECTUS

The Plan of Study must be approved before a student is eligible to take the doctoral comprehensive examinations. Any required foreign language examinations must be passed with results on file before submission of the comprehensive examination results. The comprehensive examinations must be successfully complete and results recorded before submission of the dissertation proposal/prospectus results. The student will be advanced to candidacy after successful completion of both the comprehensive examinations and dissertation proposal/prospectus.

Instructions: You may choose to submit one form with both exam/proposal results (must hold on to and save form until both are complete) or you may submit two separate forms for each. Please return form to the graduate support person in SHESC 218.
