Corsi-Rosenthal Box-o-thon Event
Event: 4/2/22 from 9:00AM - 3:00 PM

ASU’s Clean Air CR Box Project is a public health initiative to bring cleaner air into Arizona classrooms. Our goal is to increase awareness about the importance of indoor air quality and help every classroom have access to a portable air cleaner to remove airborne viruses, wildfire smoke, allergens, and air pollution. See our CR units in classrooms across Arizona here!

Help with:
- Donations
- Corporate Sponsorships
- Assembly (Build Events)
- Delivery

Our Box-o-thon Goal is to fill 100 air filter unit requests from teachers and principals throughout the Valley!
